This Friday we will hold our Mother's Day Mass and Picnic Morning Tea on the school oval.

- Mass commences at 9am and once the bell sounds at 8:40, **all children** need to go to their classroom to have their attendance checked.
- **Pre Primary and Kindy** children must be **signed out of their classroom at the classroom door** by their mothers/grandmothers and then signed back in at the classroom door by their mothers/grandmothers at 11am.
- Once attendance has been completed, children with siblings will be sent by their teachers to their youngest sibling's classroom, where mothers are asked to collect them and take their family to the church. We ask that you make your way to the church as quickly as possible where teachers will assist with seating.
- We ask that a respectful silence is maintained as we await Mass to begin.
- After Mass is finished, please wait for directions from the Leadership Team regarding leaving the church.
- Families can then make their way directly to the oval and set up their picnics on the school side of the bunting.
- If you know one of your child's friends whose mother or family member is not attending, you might like to ask them to join you to share your morning tea.
- **Activities** -The Student Leadership Team will be running some activities for families to participate in together. These will be set up behind the bunting and on the basketball and netball courts.
- **The Canteen** will be open from 10:30am.
- **End of Activities -** A bell will sound at **10:55am** as a warning that there are five minutes left till the end of the break. When the 11am bell sounds, families are asked to say goodbye to their children and send them back to line up outside their classroom.
