

## SPELLING BEE 2017

Our Year 4-6 Spelling Bee takes place in Term Four. This is a voluntary competition that students are invited to participate in. All students have been told the rules etc this week. If students would like to participate, they would have received a commitment form from me. This must be signed and brought back to Mrs Alp to receive his/her spelling bee booklet.

Students will then have five weeks to learn the words. Each class will hold an individual spelling bee and the top three will compete in his/her year spelling bee in Week Two of Term Four.

Our top three spelling bee champions will travel to Star of the Sea Primary School in Rockingham on Thursday, 26<sup>th</sup> October to compete against other Catholic primary schools.

The most important key to preparation is:

- Ensure the student is pronouncing each word correctly e.g. depot = dep – poe
- Practise asking for the definition and the word in a sentence.
