

## CROSS COUNTRY 2017

On Wednesday June 28 St Jerome's Primary School had their annual Cross Country event. It was a beautiful cool sunny day, perfect running conditions.

All our students in year 1-6 got a chance to compete in races of various distances depending on the year group.

The students were all excited and all of them showed tremendous strength and effort when powering through their runs.

Salvado house held on to the shield this year, coming first with 1940 points. This was followed by Mc Cormack on 1862 then John XXIII with 1854 and finally De Vialar with 1715 points. Congratulations to Salvado on your 2017 win.

Congratulations to all our top runners in each year level, an excellent achievement that you should be proud of.
