Dear parents, children and friends

Welcome back to Term 3. The children have returned looking refreshed and ready for more super learning. This term is always a particularly busy one. We’ve already enjoyed our school Cross Country held for the first time in and around the school. Special thanks go to John Williams for setting up such an exciting course. Mrs Kalat was, as ever, determined to see that every student from Year 3 – 6 tried their very best even when they felt they could not do one more step. I was so proud of every single student. Attached to this newsletter is the Term 3 calendar and you can note down all the special events.

Yesterday Mrs Hoare and I were joined by six Year 6 students at St Mary’s Cathedral for the Opening mass of the WA Catholic Schools Performing Arts Festival. We have many entries in this 25th year of the festival.

Perth is a city where everyone seems to have connections with someone you know. We have all been affected by the tragedy of Flight MH17 where 298 innocent people lost their lives including 28 Australians.

One of our Catholic Education family, Edel Mahady, the bursar at Good Shepherd, Kelmscott died in this dreadful event. Many of the staff here knew Edel as a wonderful, loving and caring person. May her dear soul and the souls of every person on Flight MH17 rest in peace. And may all their grieving relatives feel the collective love from us all.

Explaining such events to children is never an easy task. I was sent advice about this from our school psychologist, Leanne Caruso. It is to be found further on in the newsletter.

We welcome Leanne back from her parental leave. She will be here every Thursday.

Loving God,
Welcome into your arms the victims of the devastating incident of flight MH17. Comfort their families and all who grieve for them. Help us in our fear and uncertainty and bless us with the knowledge that we are secure in your love. Strengthen all those who work for peace and may the peace the world cannot give, reign in our hearts. We ask this through Christ our Lord,
Amen
Dear Parents/Carers

I am writing to let you know about the Nationally Consistent Collection of Data. This data is about the number of students that we provide some form of adjustment for in the classroom or playground. Please do not be misled by the title, which refers specifically to Students with Disabilities. Within our school this will include any child with a Medical Plan, Health Care Plan eg. (asthma, anaphylaxis,) Individual Education Plan, Behaviour Management Plan or Curriculum Adjustment Plan. Students participating in Multi-Lit, Mini-Lit or Reading Recovery Programs will be included.

We have approximately 18 children across our school with a diagnosed disability. For the purposes of this data collection we will be contacting just over 120 families of children that staff have identified as receiving some form of support or adjustment. Let me stress again, this is not just about students with disabilities, so please do not get caught up with the title.

The name of the school and the names of the students will not be reported. Information about the different types of needs and the programs, resources and adjustments the school uses to support students will be collected.

We think it is important to contribute to this collection as it will assist Governments and Catholic Education to make better policies and to understand the level of resources needed in schools to meet the needs of all of our students.

If you would like to read more about the Nationally Consistent Collection of Data for School Students with Disability you can visit this website www.deewr.gov.au/students-disability.

If you do not want your child/ren to be included please email the school at the following email address, roper.joanna@cathednet.wa.edu.au explaining why you do not want your child/ren’s data included, by Friday 1 August.

If you do have any queries or concerns, please do not hesitate to contact Mrs Joanna Roper by phone here at school, or by email roper.joanna@cathednet.wa.edu.au.

Yours sincerely

</tr>
</tbody>
</table>

Eucharist
At the heart of the mass is Holy Communion. This is a personal moment. When we share in this sacred meal we do indeed share in the life of Christ. We are experiencing the result of God’s great desire to come to us and be one with us. To make the bread and wine for our communion, grapes and grain are crushed. Jesus Christ was also crushed for our communion. He was crushed and crucified on the cross, so that the power of God’s love for us could be shown. In all our lives there is suffering, but our suffering is not meaningless. For when suffering is faced with love, that which is crushed and broken is transformed into love.

Please keep our First Eucharist candidates and their families in your prayers as they continue their preparation for their First Eucharist which they will receive later this term.

Bishops’ Religious Education Literacy Assessment
The Year 3 and 5 students will take part in the Bishops’ R.E. Literacy Assessment on Wednesday morning next week. These tests are being administered in all Catholic Primary Schools throughout Western Australia. Year 3 student papers will be marked by the class teachers and the test sent home at the end of the term. Year 5 tests will be sent away for marking and returned to the school for distribution in Term 4.

ICAS – Computer Skills
A number of students from Year Three to Year Six participated in the International Competitions and Assessments for School (ICAS) – Computer Skills Assessment earlier this year. In particular Amber M (Year 4) received a Distinction; she was in the top 6% of all students in Year 4 across Australia.

Parish Mass Times
Weekday Mass Timetable:
Monday to Friday; 7am and 9am

Weekend Mass Timetable:
Saturday; 9am & 6pm
Sunday; 8am, 10am and 6pm (Youth Mass)

Reconciliation:
Sat; 9.30am – 10.30am and 5pm – 5.30pm
Or on request at any time

New Liturgical Dance Costumes
The new Liturgical dance costumes purchased by the P&F which will be worn for the first time next week at the Performing Arts Competition.

Follow Signs & Road Markings
Over the holidays new signs and markings were placed in the car park at the front of the school. Could we ask that all visitors to our school obey the signs and ensure you are displaying road safety. If there is a “No Parking” sign painted on the ground, please adhere to this.

Please also note, at no time can parents or visitors park in the staff car park at the back of the school, including the alleyway behind the hall. This includes before and after school.

Thank you for your support.

Advanced Notice
Change of Assembly Time
Week 3, Term 3

Please note that the start time of the assembly on Thursday, 7th August (Week 3, Term 3) will be 9.10am, instead of 2.15pm.

Important Absentee Information

If your child is late or absent on any given day, can you in the first instance, please notify the office. This can be done in person, by phone or by email at absent@stjeromes.wa.edu.au. If you email, please cc your child’s class teacher into the email. This is because the office staff process absentee notes and information, not classroom teachers. Absentee information is accessible to teachers once admin has entered the data onto SEQTA each morning. Thank you!

Kiss and Drop

Staff on after school duty would be grateful if parents who use the “Kiss and Drop” display the family name card on one of the front sun visors of their car.

This will enable duty teachers to call out the family name and have your children ready to be picked up at one of the designated cones located in the “Kiss and Drop” area. This makes for quicker movement for all cars in and out of the pick-up area. If you don’t have a family name card for your car or would like a new one please see the wonderful ladies at the front office or e-mail admin@stjeromes.wa.edu.au.

If we call your child twice and they do not come to the car you will be asked to park your car and collect your child.

Please also do not park in front of the barrier at the entrance to the drive through. In a matter of a minute this can cause a back-up on to Rockingham Road. If the drive through is not open, you will need to park your car.

A reminder that children are not permitted to enter the car from the driver’s side of the vehicle.

Thank you for your support, the care and safety of all of our students is paramount.

2014 PERFORMING ARTS FESTIVAL FOR CATHOLIC SCHOOLS AND COLLEGES

Each year the Catholic Education Office facilitates a Performing Arts Festival. The Performing Arts Festival for Catholic Schools and Colleges is not a competition but a forum where young people can gain experience performing before a public or semi-public audience to the very best of their ability. The Festival also provides opportunities for students to share their gifts with the wider community.

This year, a number of students from St. Jerome’s Primary School have been entered in the Instrumental Solo/Duet Sections. Performance details for students entered in the Instrumental Solo/Duet Sections were sent home with students last term.

Our St. Jerome’s Liturgical Dance Group has once again been entered in the Christian Dance Section of the Festival. The Liturgical Dance Group is scheduled to perform on Thursday 7th August (Week 3, Term 3) at the Chapel of St. Brigid, Mercy College (Beach Road, Koondoola). The performance session is from 11.30 – 12.30 p.m. There will also be a rehearsal for the Liturgical Dance Group at the venue on Tuesday 5th August (Week 3, Term 3). A huge ‘THANK YOU’ to Mrs McKinnon and Mrs Phipps for preparing our Liturgical Dance Group for the Performing Arts Festival! We are so fortunate to have people with your expertise here on staff at St. Jerome's Primary School!

We have also entered our St. Jerome’s Primary School Senior Choir in the Primary Liturgical Choral Music Section of the Festival. The Senior Choir is scheduled to perform on Wednesday 13th August (Week 4, Term 3) at St. Benedict’s Church (Corner of Canning Highway and Ardross Street, Applecross). Our performance session is from 1.15 – 2.30 p.m. The Senior Choir will leave school at about 12:15 p.m. and travel by bus to St. Benedict’s Church. We hope to return to school by 3.10 p.m. Reply slips, giving students permission to attend this performance, need to be returned to Mrs de Kluyver by Thursday 31st July.

Parents are asked to please note the following important information:

- **TRANSPORT** - Parents or caregivers are responsible for transporting students entered in the Instrumental Solo/Duet Sections of the Festival. All participants must be at their performance venue at least 15 minutes prior to their scheduled session time and endeavour to remain until the end of the session. Students involved in the Senior Choir and Liturgical Dance Group will travel to and from their performance venues by bus. This transport will be organised by the school.

- **ITEM INTRODUCTION** - Participants are required to announce their name, school, item and introduce their accompanist (if they have one) immediately prior to their performance.

- **MUSIC AND INSTRUMENTS** - Parents and caregivers are asked to ensure that students come prepared for their performance by bringing the appropriate music and instrument (if required).

- **WINTER SCHOOL UNIFORM** – All students participating in the Performing Arts Festival, with the exception of the Liturgical Dance Group, are asked to please wear their full winter school uniform. It is requested that students be well groomed for this occasion – shoes polished, hair brushed, clean and correct uniform.

- **PARENT AND FRIENDS** – Parents and friends are most welcome to attend. To assist in covering costs, admission costs will be: adults $4.00; school age children (not performing) $3.00; children under school age - no charge. A season pass is available for $12.00 per person, and a family pass for $25.00 – available at Festival venues. (Admission charges are GST inclusive.)

Thank you for taking note of this important information and for your continued support. I am sure that all students involved in this year’s Performing Arts Festival will thoroughly enjoy it and gain valuable experience in many ways.

If you have any queries or concerns regarding the Performing Arts Festival, please contact me at school.

Maranatha Centre for Adult Faith Formation:

Want to know more about the topics your children are covering in RE? Married to a Catholic, but not one yourself? Thinking of working in a Catholic institution? Why not take a course at the Maranatha Centre for Adult Faith Formation. Many courses are during school time, there are no exams or assignments, and you don’t have to be a “good” Catholic (or a Catholic at all!). Topics for Term Three include “Exploring the Person, Life and Message of Jesus,” and “The Living Liturgy of the Church”. For more information or to register for a course, visit www.maranathacentre.org.au or call 9241 5221.

Relationships Australia

Making Stepfamilies Work – Tuesday 5th August x 6 weeks $75 per person / $120 per couple.
Couples with children from previous relationships may need strategies. Strategies on communication, agreement on discipline – who spells out the rules and what the rules are – and on handling competing demands. It is just as important for couples to ensure that in a busy week there is time just for each other.

Virtues Parenting Programme – Wednesday 6th August x 6 weeks $110 per person.
This six-week course is for parents, teachers and anyone else with responsibility for children. The five strategies highlighted in this course are designed to enhance moral growth. Part of the Living Values Program, it has already been introduced in schools in Australia and overseas.

For further information click please ring 9489 6322.

Disasters, the media and your child

When natural disasters occur in Australia, or man made disasters occur elsewhere in the world, they are often given constant media coverage. It can seem like every time you turn on the TV there is more news about the event, who has been hurt and what is happening now.

Media coverage during times of disaster is important. It can help to provide people who have been affected by the disaster with news and information about where to go, how to access help and when it is safe to return to their homes. However, many people, including children and families, can become absorbed by the constant news stream about the disaster and sometimes watch or listen for hours.

We know that during times of disaster children need to be protected and kept in mind. This can also mean not allowing them to have too much access to media coverage about the disaster.

The impacts

When disasters are being shown on TV, or covered on the radio or on the internet, parents really need to be mindful about how much exposure their child has to this. The media often focus on the most frightening aspects of a disaster and this coverage can often contain graphic, scary and disturbing images. Seeing this type of media coverage can cause distress or worry for children and adolescents. Children and young people will also often discuss what they have seen in the media with each other, so even though your child may not be seeing it on TV, they are still exposed to it by their friends.

Some of the ways that this sort of media coverage can impact on children and young people are:

- It can lead to children and young people thinking a lot about the disaster and this can impact on their sleep and their time at school.
- It can cause worry and anxiety that the same sort of disaster may happen to them or their family.
- It can lead them to generally feel that they are unsafe and that something bad may happen to them or their family.

The more media coverage a child or young person sees, the more likely it is that they will become afraid or upset.
Disasters, the media and your child

Helping your child

It is important that parents, carers and other family members help children and young people to cope with the media coverage that they may see of a disaster.

Some ways that you can do this include:

» Restricting the amount of time that children and young people are able to watch TV or Internet coverage of the disaster.
» Making sure that you are there with your child when they are watching coverage of a disaster. This way you can talk to them about their fears and answer any questions that they may have.
» Distracting your child from the media coverage by doing something else with them, such as watching a different TV show or playing a game.
» Helping your child to understand what has happened and why it has happened and providing information on how likely this is to happen to you and your family.
» Reminding your child that while what is happening in the disaster is upsetting, there are also lots of good things happening in the world, though these do not always receive the same level of media coverage.
» Helping to remind your child that they are safe and that you are there to answer any of their questions and provide comfort to them if they are feeling unsafe.
» Giving support to your child when upset, answering their questions and comforting them with physical affection.

Talking to your child and making sure that you continue to follow the normal routines and rhythms of your daily life are important ways to help your child feel safe and secure. Keep in mind that if your child does begin to show signs of excessive worry or distress at the media coverage they have seen, you may need to speak to your GP or another health professional.
