Dear parents, children and friends

A very warm and heartfelt welcome is extended to the new students and their families who have joined our St Jerome’s school community this year. We hope that you have many happy times at this wonderful school which this year celebrates 80 years of educating the local community.

We have five new staff members:-
- Clare Thomson – Year 1
- Jackson Bennet-Surtees – Year 3
- Adam O’Neill – Year 4
- Stuart McClorey – Year 6
- Melanie Crosby – Junior Phys-Ed

We know that you will enjoy teaching the bright and energetic St Jerome’s students.

The school has become a hive of activity during the holidays.

Amongst all the usual maintenance, cleaning, painting, oval upkeep and gardening tasks, we have created the following:-

- New Playmaster Year 1 play equipment
- Shade between PP & Library
- Junior Toilet block complete renovation. (To be opened next week)
- Painting of OSHClub and Music Room
- Polishing of OSHClub and Music room timber floors
- New Year 2 classroom furniture
- Science Room with new furniture
- Discovery Room relocation
- Extension Room relocation (see attached photo)

A part of our Strategic Plan was to improve our website and our communication to the parents. We have updated the website and it now has the capacity to show daily events. Please visit the site at www.stjeromes.wa.edu.au

In line with practice in many other schools, we will be producing a fortnightly newsletter in Weeks 1, 3, 5, 7 and 9. Any items of news that come up in between these times will be added onto the “Latest News” tag on the website or you will be sent a text message.

St Jerome’s Primary School is celebrating 80 years

We want it to be a true celebration and are keen to connect with St Jerome’s current and past students and members of our broader school community.

Register your interest via our new website at stjeromes.wa.edu.au and we will keep you updated or perhaps you would like to join the organising committee.

Enquiries are also welcome at 80years@stjeromes.wa.edu.au
Recent changes to the “Attendance” section of the School Education Act 1999 (Section 23) require each school to demonstrate enforcement of the School Education Act.

Accordingly parents who intend to take students out of school during term time for holidays will be asked to submit a permission form to the Principal at least one month in advance of the proposed holiday. Copies of this permission form will be available at the front office and on the website.

Attached to this form will be the following letter. I am reproducing it here so that parents may carefully consider the often negative educational effects of time away from school.

**Dear Parent/Guardian**

*It is understood that no families intend to cause any disruption to their child’s learning or school life when extra holidays are planned. The purpose of this letter is to provide some information for families so the school’s position can be considered.*

*It is important that families consider the following issues when arranging holidays to be taken outside of school holiday times.*

- **Students may miss out on important learning programmes that may affect future education.** The school cannot accept responsibility for learning that is missed during extended leave taken.
- **Teachers are not to be asked to set work while extended leave is taken for holiday purposes.**
- **If important assessments are missed then some areas of your child’s report may be left incomplete.**
- **Extended absences cause extra organisational concerns for in-class and co-curricula activities including sports days, NAPLAN assessments, assemblies, camps, sacramental programmes and so forth.** Your child’s involvement in these activities cannot be guaranteed if essential preparation has not been undertaken or they are absent when activities are planned.
- **Although every effort is made to set a school calendar of events, due to exceptional circumstances, these dates may need to be changed during a school year.**
- **Students can find it difficult to learn school routines and develop social groups depending when extended leave is taken.**
Our children should understand the history of Australia and watching quality TV programmes can help bring history to life.

Channel 7 has a new historically based television series “Australia – The Story of Us”. It begins on Sunday 8 February. Students in Years 4, 5 and 6 are invited to play along in a weekly online quiz where they answer questions related to significant events in Australia’s history. After watching the broadcast go to Yahoo7.com.au/StoryOfUs they will need to register their name and school (with parent/guardian consent).

They will compete against other students in WA for the chance to win a $10,000 grant for the school, plus prizes for the whole family.

Loving God,

Thank you for the gift of each other.
We have all been gifted by you in special ways
and created in your image and likeness.
Teach us to love
and value one another and to accept each other as the unique persons we are.
Help us to show our appreciation for each other and
to value the contribution each of us makes to our school.
We ask this through Christ Our Lord, Amen.

Dear Parents / Caregivers

Welcome to the start of 2015 academic year.

I would like to offer a very warm welcome to the many families who are joining our system for the very first time.

In 2015 we are witnessing exciting signs of continued growth and renewal within the Catholic Education system. Two new schools have opened in term 1, taking the total number of Catholic Schools in WA to 163. I wish the students, parents, principals and staff of St John Bosco College in Piara Waters, St Francis’ School in Maddington and the new Bunbury Catholic College Mercy Campus at Australind all the very best as they open their doors for the very first time. These new facilities are a tangible reminder of the value that the community continues to place on a Catholic Education right across the state.

To all who are returning to Catholic schools, welcome back. In 2016 all Year 7 students will be located within secondary settings right across the state. This important shift has already been in place in metropolitan settings for a number of years and regional schools have been planning for this transition for an extended period. I am certain that the students will find this new chapter in their schooling lives an exciting time with many opportunities for personal growth.

To our Year 11 and 12 students who are embarking on this important phase of your secondary schooling, I wish you all the best and encourage you to work hard and make the most of every opportunity presented to you.

Last year our system achieved our best WACE results of the last five years. Whilst we are very pleased with that performance, there is no room for complacency as continuous improvement requires an ongoing effort at all levels of the system and remains my clear priority for 2015 and beyond.

We are all part of a dynamic Catholic education community that promotes the mission of the Church with Jesus Christ at its heart. All 163 of our schools rely on the contribution of the parish, staff, students and parents working in partnership to build a successful Catholic community. Within the limits of your busy family and working lives, I encourage you to share your time and talents with your school community. You can contribute by nominating to become a member of the Board, joining the P&F, volunteering to be a class representative, helping out at the annual sports carnival, doing a shift at the canteen or helping with school reading rosters. Every contribution makes a difference to your child’s education.

I once again wish to acknowledge the critical role that you as parents and caregivers play in the education of your children. Your involvement combined with the efforts of more than 10,000 dedicated school staff and principals, means that children educated in Catholic schools have the very best chance of reaching their potential.

I wish you all the best for 2015.

Regards

Tim McDonald

Welcome back to school! Our summer menu is the same as last term, but if you need another copy, you can grab one from the canteen or the office, and it's online too.

We are looking for more canteen volunteers to sign up for monthly rosters, the form went home late this week. Please think about helping us, we have a great time in the canteen, and your kids will love you for it.

Forms need to be in by Monday 16 Feb - if you haven't received it yet there is one attached to the newsletter, and there are spares at the canteen and in the office. (Wouldn't want any of you to miss out!!)

Thank you
Renate, Michelle and Yvonne

Thursday 8.15am to 3.30pm

Our School Photos will be taken on:
Monday 16th of February 2015, Tuesday 17th of February 2015

Personalised Envelopes will be sent home to parents today. PLEASE NOTE You now have the option of placing your photo order ONLINE instead of filling in the pre-paid envelope, refer to your child’s personalised envelope for details about online ordering, or phone MSP Photography on 08 9342 3465 if you have any queries. If you are placing your order through the pre-paid envelope please make sure that your child brings the envelope to school on photo day to hand to the photographer, otherwise your order will be missed. NOTE: If you have placed your order online, you DO NOT need to bring in your envelope to hand to the photographer.

If you wish to purchase a family photo, please come to the administration office to collect a Family envelope. It is the eldest child’s responsibility to collect their siblings at the scheduled time for family photos. NOTE: Family photos cannot be ordered online.

NO CHANGE will be given so please ensure correct money is enclosed in your envelope. We now offer online ordering for your convenience. Payment for photos can be made by cash, cheque or money order in your prepaid envelope or via Credit Card for Online Purchases Only.

All children will have an individual portrait taken whether purchasing photos or not for the school data base. If you have not placed an order on photo day you can still ORDER ONLINE up to 6 days after the last photo day. If you wish to place an order and it is after the 6 day period please phone MSP Photography on 08 9342 3465. PLEASE NOTE: Orders placed after the 6 Day period will incur late fees.

A detailed timetable of the photographs will be placed on the School Website one week before the photo days.
Welcome to the new school year. My name is Kristen Cousins, and I am the Community Health Nurse who visits your school.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program.

Community Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. The services provided are free and confidential.

If you have a concern about your child’s health or development, please contact me via the School Office. I have attached some healthy Lunchbox Tips below:

Back to school…..what to make for lunch today?

Are you constantly asking yourself this question as you busily get ready for the day ahead? Children need a healthy school lunch to boost their energy and help them concentrate and learn in the afternoon, so we asked our Health Promotion Team here at CACH for their top tips.

Lunchbox tips:

• Use a variety of breads to make sandwiches more fun
• Use biscuit cutters to cut sandwiches and fruit into different shapes
• Pack your own snacks in a snap lock bag or brown paper bag decorated with stickers. A cheaper and healthier alternative to pre-packaged snacks.
• Use a frozen ice brick or drink and an insulated lunchbox to keep the food cold
• Include a non-food surprise e.g. a joke, sticker or note
• Encourage your children to be involved in the preparation of their lunch. When children are involved in food preparation they are more likely to experiment with different types of foods.
• Think outside the box; try frittata, boiled egg, popcorn and rice paper rolls to keep lunches interesting!

According to the Australian Dietary Guidelines children aged 4-8 years should aim daily for 1½ serves of fruit; 4½ serves of vegies; 1½-2 serves of dairy; 4 serves of bread, cereals and grains; and 1½ serves of meat. For more information on what is considered a ‘serve’ and for other healthy lunch ideas visit HealthyWA or the Raising Children Network.

Positive Partnerships Parent/Carer Workshops

Registrations for the Positive Partnerships Parent/Carer Workshop to be held at the Novotel Vines Resort in the Swan Valley on Tues 17 & Wed 18 February are now open. This workshop is FREE for families of school age students who are on the Autism Spectrum.

Families do not need to have a formal diagnosis of ASD in their family to attend this workshop (e.g. they may be going through diagnosis process).

Parents/carers who attend will gain:
- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child's participation at school
  - develop an awareness of learning needs
  - opportunities to network and share strategies
  - opportunities for discussion around a range of topics relevant to students with an ASD and their families.

To register for this workshop
Online registrations are preferred and can be made by going to www.positivepartnerships.com.au. Simply click on the top right purple section titled “Free parent/carer workshops” and then click on “Feb 17 - The Vines WA” and complete all the registration details. Kim

St Vincent De Paul Volunteers Required

The parish St Vincent DePaul Society Conference requires 2-3 volunteers to take on the following roles within the conference:

Pantry Roster: The pantry requires restocking on occasion and is usually restocked once a month. We require volunteers who are able to dedicate 2 hours of their time every 3rd month. The role involves taking a stock take of the pantry and freezer, shopping for items (vouchers provided) and restocking the pantry shelves. Training will be provided.

Call outs: This role requires someone who can be available for 1 or 2 afternoons or evenings a week to accompany leads on callouts. It is rare for us to have callouts every week. Training is also provided for this role.

Interested persons can contact either Steve (0488 611 190) or Paul (0403 985 269) or email paulsh@multiline.com.au or gibbs.steve@iinet.net.au

Volunteering in the Society of St Vincent De Paul is a great way to help the less fortunate in our local community.

Maranatha Centre for Adult Faith Formation:

Looking for some soul-food now the kids are back at school? Married to a Catholic, but not one yourself? Just want to explore something new? Why not take a course at the Maranatha Centre for Adult Faith Formation. Many courses are during school time, there are no exams or assignments, and you don’t have to be a “good” Catholic (or a Catholic at all!). Topics for Term One include “Exploring Faith: Theology for Beginners,” and “Ways of Praying”. For more information or to register for a course, visit www.maranathacentre.org.au or call 9241 5221.

Welcome to another exciting year of making music! Mrs Searle and I are really looking forward to working with the staff, parents and children here at St Jerome’s Primary School.

Music is an area that we are passionate about … we absolutely love it and one of our major aims in teaching music is to make it enjoyable, fun and accessible for all children! The following statements are the foundation of our philosophy towards learning music and underline the importance of music as a learning area.

- Music is fun!
- Music is for everyone.
- Music is unique as it can develop a person holistically.
- Music offers joy, beauty, connection and community.
- Music develops creativity and self expression.
- Music promotes children’s confidence and self esteem.
- Music enriches lives by providing an integrated experience through singing, saying, moving, dancing and playing.
- Music crosses language barriers as it is an alternative form of communication.
- Music is active as well as passive.

**Classroom Music Programme**

This year all classes will be involved in Classroom Music Lessons. Mrs Searle will be teaching students in Kindergarten, Pre-Primary and Year 1 classes. I will be teaching students in the Year 2-6 classes.

The Classroom Music Programme is a programme that aims to develop concepts and skills in the areas of Rhythm, Melody, Harmony, Form and Expression.

These concepts will be developed through singing, playing instruments, guided listening, moving and reading and writing music.

**Liturgical Music Programme**

There will be singing rehearsals for students to prepare for liturgical and sacramental celebrations. Whole School Liturgical Singing will take place on Wednesday afternoons from 2.25 – 3.00 p.m.

**Choral Programme**

**Senior Choir**

Senior Choir is available to students in Years 4, 5 and 6 with rehearsals taking place in the Music Room on Thursday afternoons from 1.15 – 2.00 p.m.

I am asking students interested in committing to the Senior Choir to attend our first two rehearsals. After this, students still wanting to participate in the Senior Choir Programme for 2015 will be required, along with their parents/guardians, to sign a contract formalising their decision to be involved. This process should enable students to make an informed decision about their involvement in the Senior Choir and make them aware of the requirement to commit to the year’s work.

Our first Senior Choir rehearsal for the year will be next Thursday 12th February. Prospective choir members are asked to meet Mrs de Kluyver in the Music Room at 1.15 p.m.

**Instrumental and Vocal Programme**

The Instrumental and Vocal Programme is available to students in Years 2- 6. Lessons take place during school time. Instrumental Music Enrolment Forms are available from the School Front Office.

**Instrumental Ensemble Programme**

This year we have two instrumental ensembles available for student involvement - School Band and Guitar Ensemble.
These instrumental ensembles are available to students in Years 4, 5 and 6 who have had at least one year’s experience in their chosen instrument and are successful in their audition.

School Band rehearsals will take place in the Music Room on Tuesday afternoons from 1.15 – 2.00 p.m. Guitar Ensemble rehearsals will take place in the Music Room on Wednesday afternoons from 1.15 – 2.00 p.m.

Auditions for student involvement in either the School Band or Guitar Ensemble will take place during Weeks 2 and 3. If students are successful in securing a position, they will receive a letter confirming their involvement. They and their parents/guardians will be required to sign a contract formalising their decision to commit to their nominated programme.

This process should enable students to make an informed decision about their involvement in these ensembles and make them aware of the requirement to commit to the year’s work.

Participating in these ensemble situations will enable students to extend their musical skill and ability and provide them with the opportunity to play in a social setting with other musicians.

We are really looking forward to the year ahead … musically speaking it promises to be a very exciting one!
