

WINTER CARNIVAL 2017

Tuesday June 20 was Winter Carnival day for our year six and some year five students. We were blessed with some more of that lovely warm winter weather, so it was a beautiful day to be outside.

All teams were excited to get to their venues and everyone put in maximum effort throughout the day.

The netball "A" division girls were triumphant in bringing home first place, the other netball divisions however should also be praised for their efforts, as at least a couple of games were still won in each division.

Both divisions at volleyball had wins also and it was similar with the football and soccer teams. The sportsmanship displayed by our St Jerome's students is once again to be commended. There would have been lots of tired students on Tuesday night after back to back games all day.

I would like to thank the teachers that assisted with training during senior sport times and coaching on the day. I would also like to thank the student teachers from Notre Dame that also assisted with training and coaching on the day.

Thank you also to all the parents and or caregivers that came and supported us throughout the day either assisting with scoring or umpiring and spectating. This is a big carnival and without the help of volunteers it would not run as effectively as it does. Your continued support and assistance is appreciated.
