

SEQTA Coneqt.p / SEQTA Engage Activation

All parents / guardians from Kindergarten – Year 6 must read these instructions. You must act on this information within 7 days, otherwise the activation email will expire.

Thank you for your patience during recent weeks as we implement the new login system for parents and guardians. One advantage of the new system will be the ability to reset your password should you forget it, as long as the school has your current email address and you have recorded your login details.

For the system to work, it is important that you keep the school informed of your current email address.

You may not have received your activation email because the school does not have your current email address. Some emails can end up in junk mail, so please ensure that you check your inbox as well as your junk email.

You will receive an email like the one below, the link is specific to your family. Please click on the link provided.

You will then be able to access the system. In particular, the following features are important for this year:

- Reports – this is where your child’s Semester Reports and NAPLAN Reports are stored. You will be able to access reports from 2015 onwards. Please ensure your print or save the reports before your child leaves St Jerome’s Primary School. Once your child leaves, you no longer have access to St Jerome’s Primary School SEQTA.
- Portals – each class has created a Portal Page (also called Splash Page) that will be updated regularly each term.
- Documents – this section will be progressively updated throughout the year as a place for school policies and copies of notes sent home.

There is a link to SEQTA Coneqt.p / SEQTA Engage from the school homepage at www.stjeromes.wa.edu.au, or you can access it directly using the following link <https://stjeromes.coneqt-p.cathednet.wa.edu.au>
